COURSE FEEDBACK

“ He knew lots on the topic and spoke/taught us in a way that helped individuals who barely know the basic excel functions.

“ Thanks, very enjoyable. I've learnt so much in a few short hours.

“ Learnt more in one hour than I did in an all day course a couple of years ago. Very impressed.

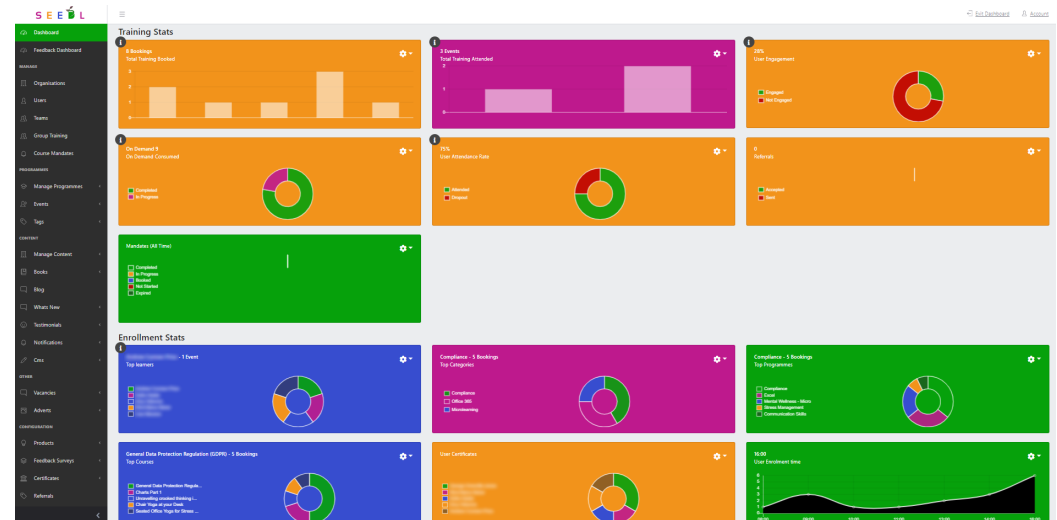

“ Really enjoyed it, loved how interactive it was for a webinar - chances to get involved, share thoughts and questions, etc.

A selection of comments we've received so far in 2025.
